

## *2014 Transplant Games Summary*

A total of 17 different individuals or families were members of Team Finger Lakes who travelled to Houston, Texas in July 2014 to join in the celebratory atmosphere at the Transplant Games. Our athletes included 13 transplant recipients, 1 living donor and three donor families. The event was incredible and very moving. Please consider joining our team for the 2016 games in Cleveland.

**2016  
 TRANSPLANT GAMES  
 LOCATION:  
 CLEVELAND OHIO**

*"Cleveland rocks!"*

# *Celebrating the Gift of Life - "A Legacy Lives On"*

The Transplant Games of America® is a biennial event held in the United States to recognize the tremendous accomplishments of individuals whose lives have been affected by eye, organ, and tissue donation.

The festival style multi-sport event is for participants who have either undergone lifesaving transplant surgeries or are living donors. Competition is open to anyone who has received a solid organ transplant, bone marrow donation, or other qualified corneal and tissue transplant recipients. More than just an athletic competition, the Transplant Games of America highlights the critical importance of organ and tissue donation, while celebrating the lives of organ donors and recipients. The games are produced by the Transplant Games of America, a 501 (c)(3) non-profit organization.

## *2014 Medal Winners From Team Finger Lakes*

***Come and share the incredible experience  
of meeting transplant recipients, living  
donors and donor family members from  
across the nation.***

If you would like to participate in the Transplant Games in 2016 in Cleveland, please contact Amy James, Team Manager at 585-272-4930 or email: [amy\\_james@urmc.rochester.edu](mailto:amy_james@urmc.rochester.edu)

We can also use help with our ongoing fund raising activities. Most of our events are fun community activities that will connect you with other transplant recipients, living donors and deceased donor family members. The fund raising events are to help with the cost of transportation and lodging at the 2016 transplant games. Please contact Amy James for more information.
